

# **eMOVE<sup>®</sup> Finding Level**

*Automatic mover and self levelling system*

*From unhitch to level pitch in 2 minutes*

# From unhitch to level pitch in 2 minutes

**Stage 1:** Handset tells you which side is low and place the ramp accordingly.

## Stage 2:

Press the Finding Level (FL) button, the caravan will reverse up the ramp stopping when the caravan is level (left to right). The electric corner steadies finish the job levelling the caravan (front to back).

**Your caravan is now level.**

## emove Finding Level
