## Introducing the New Powrtouch Evolution

- The No.1 Mover just got better with **Superior Power, Efficiency and Performance**. All from your trusted market leader with the same **unrivalled guarantee and service**.
- With over 20 years experience in the caravan industry, you can be assured of buying our Powrtouch Evolution with confidence.
- **Centrally aligned** roller engagement, ensuring a no hassle operation.
- The unique engineering design ensures the motor and gearbox are **centrally aligned** to the caravan tyres, thereby ensuring the rollers are engaged with maximum effectiveness providing ultra efficient power and traction.
- This clever design and use of modern lightweight materials ensures not only a significantly lighter, but more durable and robust mover.
- UK designed, manufactured and quality controlled to the highest accreditation ISO 9001:2008 and TUV approvals, ensuring continued excellence from product design to end user satisfaction, whilst maintaining the trust and respect the company has established for over 20 years.
- Customer confidence in our products ensures that word of mouth remains our strongest form of advertising.
- 100+ technicians to call upon anywhere in the UK should you encounter any issue with performance of your mover. At home or on holiday, Powrtouch remain the brand you can truly rely on.
- **Still** the only mover company to offer our industry renowned and totally unique, free of charge, **5 year parts and labour guarantee.....no quibble!!**
- Don't just take our word for it, speak to over 90% of the UK's most respected dealers, that choose to promote and recommend the Powrtouch brand.
